

2018 Women's Masters Series Rules and Information

The NCNCA Women's Masters Series runs from March to September and is designed to encourage Women's Masters racing throughout Northern California and Nevada.

This is an individual rider competition. The top three finishers in the series are invited to be recognized at the Annual NCNCA Road Awards Banquet in October.

SCORING

All races will be scored, regardless of field size, and will accumulate points as follows:

- 1st place: 10 points
- 2nd place: 8 points
- 3rd place: 6 points
- 4th place: 4 points
- 5th place: 2 points
- 6th place: 1 point
- Placings beyond: 1 point

Races in bold are worth double points.

* In the case of a tie, the fastest time at the time trial specified with an asterisk will be used to break the tie. In the case of further unbroken ties, the racer with the highest number of 1st place finishes, followed by 2nd place finishes etc., will be utilized until the tie is broken. Following that, the racer attending the most Women's Series races will be placed higher. If ties still exist, then the placings will be left tied.

Bonus points accumulation opportunities exist throughout the series as follows:

- Individual racers who race every race their respective series will receive a series-end bonus of 1 point per race, for a total of 10 points for the Masters Women 35+ and 55+ Series.
- At all Criteriums and Circuit Races contained within the series, if you choose to race more than once that day, then you will receive 2 points for completing the "second race" (the race other than your Women's Series category race). Your second race may be any race you are qualified to race in, such as another Masters race or a Men's E4 race, etc. Your placing in the second race does not matter; however, you must finish the race.

RULES

All women racers are eligible in their appropriate category so long as they have a USAC license. One-day license holders will accumulate points and are eligible for year-end awards. The same goes for women in other districts and women from out-of-state.

Points accumulated in different categories will not be combined (e.g., W55+ points will not count towards W3 series totals, etc.). When “doubling up”, only Bonus Points are scored for the “second race”. Riders who upgrade during the season will leave their points behind and start accumulating points in their new category.

Riders **MUST** finish the designated Women’s Series race in order to receive Individual Points for the Women’s Race Series winner designation. Whether you get a flat tire during the race or if you crash, etc., you must cross the finish line and receive a result on USAC other than DNF/DNP to receive points for the Series.

It is the rider’s responsibility to verify their placing on the Official Results posted at each event within the published USAC protest period. Results cannot be changed once they are final.

Any protests or requests for corrections or modifications to the Series results must be made so as to allow for processing before the awards ceremony. Every effort will be made to address scoring questions in a timely fashion.
