

Dear NCNCA members,

I kindly ask you to cast a vote for me, for the NCNCA board or directors, for the 2022 season. I have been involved in the Northern California race community for over a decade, first as a young(ish) and ambitious racer, then as an active club member and race mentor, and since 2019, I have served on the NCNCA board as the treasurer, while still racing now and then.

During the past three years I have learned a lot about NCNCA and non-profit best practices for board members and contractors. I have been reminded of the importance of communication and transparency, and I have truly enjoyed working with the other board members to overcome existing challenges, and to take on new ones. I have invested a considerable amount of time and effort, to improve NCNCA Treasurer practices, and while I feel there has been great progress, I would like to serve for another year, in order to complete one more task that got derailed first by the pandemic, and then by thinking that 2021 would be a “normal season”.

I believe the experiences above will help me contribute to the continued hard work NCNCA dedicates to keeping bicycle racing alive, interesting, safe and fun in Northern California. Hopefully, 2022 will resemble a normal season much more than 2021 did, but even if it doesn't I can promise I will continue to do my best to advocate for the best interests of NCNCA.

Sincerely,
Rikke Jeppesen
