YEAR OF BICYCLE RACE TRAINING

BIKE RACING

FOR EVERYBODY

Race Skill Clinic

January has been "training season" for bike racers! New or experienced, there is a category for everyone: Juniors (U18), Beginners (Cat 4/Novice), Intermediate (Cat 3), Women & Pro 1/2/3.

Race Skills Practice

Emphasis on cornering -and- anticipating the lines that others may take, where we practice getting comfortable in a pack of riders at speed.

Race Safety Debrief

Our curriculum starts with shoulder-to-shoulder at race speed training because we believe it to be the best way to prepare racers for all of the pack racing we do in our district. Debrief with NCNCA Mentors.

ALL OTHERS **\$30** JUNIORS **\$10**
